Dear Commission Members:

Thank you for serving on this important commission. The last time this body convened was 2007. You represent a vital link between the resident taxpayer and the elected officials that serve them. I hope you find your time together enjoyable and productive.

This binder will serve as a resource center and repository for the materials you will review during the course of your service. If there is any information the commission desires please ask and we will make it available. We wish to provide you with all the tools and information necessary to allow you to perform your duty as easily and competently as possible while making the most of your valuable time.

The following enclosed preliminary information may prove helpful to you:

- A list of the Commission members and their contact information
- Huron Township Compensation Commission Ordinance
- Some sample materials from previous Compensation Commissions
- Select pertinent information from the Conference of Western Wayne 2014 Salary Survey by Community. You will also be provided the full survey (with additional copies available or select portions if needed and requested)
- Samples of agendas, meeting notices, and resolutions

Board Members

David A. Glaab - Supervisor • Kathlene L. Van Wasshova - Clerk • Linda Spangler - Treasurer
Marlene C. Krause - Trustee • R. P. Lilly - Trustee • Donna J. Mendrysa - Trustee • Michael Stach - Trustee

While the current township ordinance prescribes how elected officials compensation will be determined, should this commission wish to comment on this current process and/or recommend alternate methods for consideration, it should feel free and is encouraged to do so. For example, one former method of setting township official compensation was to assign salaries as a percentage of what the State of Michigan Compensation Commission determined to be appropriate compensation for certain State elected and appointed officials such as district court judges and the like.

Cara Vandiver will serve as the recording secretary and point of contact. If you require anything at all, please ask Cara and she will be sure to accommodate your request

Thank you again for serving!

David

COMMISSION

ORDINANCE

CHARTER TOWNSHIP OF HURON
SECOND READING
ORDINANCE #06-03
AMENDMENT TO ORDINANCE #98-1
ORDINANCE TO CREATE THE CHARTER TOWNSHIP OF HURON
OFFICIALS COMPENSATION COMMISSION.

Section 1.

There is hereby created the Charter Township of Huron Officials Compensation Commission.

Section 2.

The Commission shall determine the salary of each elected and appointed official. The commission shall consist of a 5 members who are registered electors of the township, appointed by the supervisor subject to confirmation by a majority of the members elected and serving on the township board. The term of office shall be a 4 year term, except that of the members first appointed, 1 each shall be appointed for terms of 1, 2, 3, and 4 years. All members shall be appointed not more than 30 days after the effective date of the ordinance. Members other than the first members shall be appointed before December 31 of the year appointed. Vacancies shall be filled for the remainder of an unexpired term. An officer or employee of the township or a member of the immediate family of that officer or employee shall not be appointed to the commission.

Section 3.

Upon request from the Township Supervisor the commission shall meet for not more than 15 session days and shall make a recommendation within 45 calendar days of the first meeting. A majority of the members of the commission constitutes a quorum for conducting the business of the commission. The commission shall not take action or make a determination without a concurrence of a majority of the members appointed and serving on the commission. The commission shall elect a chairperson from among the commission's members. As used in this section, "session days" means a calendar day on which the commission meets and a quorum is present. The members of the commission shall not receive compensation, but shall be entitled to actual and necessary expenses incurred in the performance of official duties. The Township Clerk shall provide staff and support services for the Commission.

Section 4.

The Commission shall study the issue of compensation for elected officials and members of appointed boards and commissions by making comparisons between and among Huron Township and other similar communities, analyzing the duties and qualifications, and shall conduct such other studies as the Commission deems appropriate concerning compensation. The Commission shall then make recommendations to the Township Board as to the compensation of elected and appointed officials to be effective not more than 30 days following its filing with the township clerk. The Township Board may accept or reject, in whole or in part, the recommendations of the Commission. If a determination is rejected, the existing salary shall prevail.

Section 5.

The business, which the commission may perform, shall be conducted at a public meeting of the commission held in compliance with Act No. 267 of the Public Acts of 1976, as amended, being sections 15.261 and 15.275 of the Michigan Compiled Laws. Public notice of the time, date, and place of the meeting shall be given in the manner required by Act No 267 of the Public Act of 1976, as amended.

Section 6.

After 1 year following the effective date of the ordinance amendment, the procedure for reestablishing the compensation of township officials may be changed by ordinance.

Section 7

This ordinance shall be effective the earliest date permitted by law after publication.

This Ordinance is said to have had its first reading by the Charter Township of Huron Board of Trustee, Wayne County, Michigan at their regular meeting called and held on the 9th day of August, 2006 and ordered to be published in the manner described by law.

Compensation Commission Report

Purpose:

The purpose of the Compensation Commission is to provide a recommendation for the compensation of elected and appointed officials in the Township.

Process:

The first meeting of this commission was convened at the township hall on February 15, 2007. Subsequently, meetings were held on March 6, March 19, April 4, April 12, and April 26, 2007.

During these meetings, a considerable amount of information was reviewed -- to include:

- Comparative information for similar positions in other communities within the area and state.
- Compensation history since the year 2000 for the elected and appointed officials, and employees within the township.
- Responsibilities, qualifications and workload of the Supervisor, Clerk, Treasurer, and Trustees.
- Responsibilities of the Chairpersons and Commissions within the township.
- Township improvements and overall financial condition since 2000.

Additionally, in the meeting on March 6, 2007 a proposal was put forth to this commission to consider the Treasurer's position as a part-time position with a reduced salary and contribution level for retirement. As a result, this commission also reviewed the workload levels and compensation of supporting staff within the Treasurer's office and other areas within the township -- over the past several years.

In the meeting on April 26, 2007 the commission members present unanimously agreed to the following recommendations for compensation for the elected and appointed officials:

Recommendations:

<u>Position</u>	<u>Current</u>	<u>Recommendation</u>
Supervisor	\$53,228	\$65,500
Clerk	\$42,583	\$52,400
Treasurer	\$42,583	\$52,400

Rationale:

The rationale for this commission's recommendations for the elected and appointed officials is based primarily on the fact that the township has made considerable improvements over the past several years -- yet the compensation for the officials responsible has remained the same since the year 2000.

The township's financial condition is basically sound. The General Fund balance as a percentage of expenditures from 2001 through 2005 has steadily improved.

Rationale Continued:

The township faced a major crisis a few years ago with the deteriorating conditions of the existing township hall/police department. However, as a result of the innovative efforts of these officials, the community now has a new police department and township hall that it can be proud of.

Significant improvements have been made in the quality of the police department, fire department, DPW, and staff within the township administration. These improvements were primarily made because the administration developed an effective compensation program for these employees over the past several years. It provides compensation for existing employees on a competitive basis -- thus minimizing turnover -- and offers opportunities for top-rate candidates who desire to work in this township.

After reviewing salaries in comparative communities, this commission focused on this compensation program. This program was reviewed in detail and became the primary factor in determining an appropriate salary for the elected and appointed officials.

Attached is a summary of the increases given to employees within the township --year-by-year -- since the year 2000. The yearly average increases range from 3.0% to 4.6%. It is recognized, however, that some of the larger increases were given to bring the wage rates into a competitive position and, as a result, they skew the percentages to a higher level.

In addition, it should be noted that in 2003 a previous township compensation commission recommended a salary increase to address this issue. Their recommendation was not acted upon, thus creating a further disparate compensation practice for the elected and appointed officials -- that still exists today. To further compound this situation, the officials 2006 health benefits were reduced consistent with other township employees without an offsetting increase in compensation.

Taking all these factors into consideration, this commission determined that the elected and appointed officials compensation for 2007 be based on their current salary, factored up the minimum of 3% -- year-over-year -- since the year 2000. This increase creates some equity and brings into balance the compensation of the officials with the current compensation levels of the rest of the employees within the township. The basis for this increase is also included in the attachment.

This commission also recommends that the compensation for the Recreation, Historical, Telecommunication, and Capital Improvement Committees be equal. Based on comparative data, the compensation for the members of the Planning Commission and Zoning Board of Appeals is currently appropriate. This commission recommends that the Chairperson for all of these committees receive an additional \$10.00 per meeting.

Finally, after considerable discussion, this committee came to the conclusion that the Treasurer's position is established as a full-time position and should be properly carried out on a full-time basis. It is our sincere belief that with the incumbent Treasurer performing this job part-time, staff employees and other elected and appointed officials are carrying the additional burden. This is a matter for the Township Board to resolve. Therefore, there is no recommendation for compensation for a part-time Treasurer.
